

PF COSMETICS

We make dreams come true for your cosmetic brand

We are a company that specializes in the production of **PRIVATE LABEL** cosmetics, cosmetics under your company's brand.

We also offer the following services: **MANUFACTURING (ALSO INTO TUBES), COSMETIC BULK PRODUCTION, BOTTLING, LABELING AND CO-PACKING.**

What do we do?

We can create...

the cosmetics of your dreams!

NEW

**SHEET
MASK**

Masks in the form of fabric soaked in active nourishing, moisturizing and soothing substances, show more intensive and effective action than traditional masks in the form of paste or cream. Additionally, thanks to the fabric it gets a bit warmer, and this helps the skin pores to expand and thus better absorb nutrients.

NEW

FACE WASH FOAM

The definite advantage of facial foam is its formula. The delicate foam has a soothing effect on the skin, provides deep cleansing without causing irritation. Our foams are adapted in terms of active ingredients to various skin types and problems.

NEW

**GEL
SERUM**

Face serum is a light, quickly absorbed substance containing concentrated ingredients, designed to quickly improve the condition of facial skin and/or definitely counteract its deterioration. Our proposals are serums: brightening, smoothing, rejuvenating and for acne skin. Each formulation contains appropriately selected active ingredients, accelerating the achievement of the intended effects.

NEW

SERIES 10% D-PANTHENOL

Our series with 10% D-Panthenol is intended for use to soothe skin irritations caused by sunlight, high temperatures or shaving. The foam, cream and gel intensively moisturize, soothe, regenerate and calm. Additionally, they pleasantly and gently cool the body and bring relief to reddened skin.

NEW

SERIES WITH VIT. C

Vitamin C is considered the queen of active substances in cosmetics. Commonly called the "vitamin of youth", it makes the skin glow, becomes firm and regains an even color. Vitamin C has strong antioxidant properties, strengthens and seals blood vessels, reduces discoloration. Our serum, cream and mask have been further enhanced with tranexamic acid, alpha albutrin and papain.

NEW

24K GOLD SERIES

In the 24K GOLD series, we use the power of 24-carat gold to provide your skin with extraordinary nourishment, regeneration and revitalization. This unique collection of cosmetics was created for mature skin with women in mind who want to regain their glow, radiance and youthful appearance. Gold acts as a natural antioxidant, protecting the skin from free radicals and delaying the aging process. It restores skin elasticity, smoothes fine lines and wrinkles, and adds radiance and a silky glow.

NEW

**LIFTING
SERIES**

Our lifting cosmetics improve skin firmness, reduce wrinkles and restore a youthful appearance to the face. They contain neuropeptides, tranexamic acid, collagen and hyaluronic acid that stimulate the production of collagen and elastin - proteins responsible for skin elasticity and firmness.

NEW

ANTI-ACNE SERIES

For problematic skin, it is very important to choose the right and gentle care. Our cosmetics contain carefully selected ingredients that have broad anti-inflammatory, antifungal and antibacterial properties.

Manuka oil soothes seborrheic changes and acne, glycolic acid has exfoliating properties. Vitamin PP limits sebum secretion and eliminates inflammation. Bee venom has a regenerative effect on the skin, reducing micro-damage and reducing the visibility of scars.

NEW

HAIR STICK

Hair wax stick is the perfect solution for styling protruding hair. The colorless stick with the consistency of caring butter tames, smoothes and fixes even the most unruly strands and baby hair. The formula with castor and coconut oil regenerates, moisturizes and protects hair from excessive drying, giving a smooth and elegant finish.

NEW

**SOS
BUTTER**

Body butters from the SOS line are rich in active ingredients that provide immediate relief to irritated and sensitive skin. Thanks to modern packaging in the form of a stick, they provide easy and convenient application. They are a soothing dressing for demanding skin with problems of dryness, cellulite or stretch marks.

NEW

2-PHASE BODY MIST

Two-phase body mists are a multifunctional product with a fresh scent intended for immediate care of the body and hair. They can be sprayed and massaged into the skin of the body to moisturize, refresh and nourish it. Sprayed on the hair, it facilitates combing, adds shine and slightly perfumes without weighing it down.

NEW

MAKE-UP REMOVAL

Proper make-up removal is a key element in skin care. Butter, oil and cream allow you to dissolve make-up without using cotton pads, which lead to dryness and irritation of the skin. Our cosmetics, in addition to removing make-up, also care for the face - moisturize, regenerate, provide vitamins.

NEW

SPF 30

The balm, stick and body oil provide the skin with UVA/UVB protection against photoaging and sunburn, giving a comfortable non-greasy finish. Additionally, they make the skin moisturized, nourished and gain a radiant and even tan.

SHOWER GEL

Do you love to wrap yourself in the broad arms of Morpheus, and every morning is a violent clash with reality? Reach out for refreshing Mango Glow Up, Feeling Fresh, Rose and Yoghurt shower gels which provide your body with pure energy. The light texture of the gel perfectly applies on the skin creating a thick foam with a captivating scent.

SOAP

Liquid soaps with unusual fragrances will make your daily hand-washing routine more pleasant and will relax your senses. The soap formula is enriched with specially selected active ingredients that not only cleanse the skin but also leave a feeling of refreshment and comfort. Regularly used improves skin elasticity and its condition.

BODY LOTIONS

Appropriate cosmetics that will help in your daily care routine and also when a real rescue is needed. Discover our foot creams. We have prepared reliable foot cosmetics, adapted to various needs.

PERFUMES

A collection inspired by bestselling fragrances of the most popular brands.

**BODY
MIST**

Relax your body and senses with a light body mist that has pleasant fragrance notes. The cosmetic perfectly replaces heavy perfumes on a sunny, hot day, being a source of intense moisturization. Thanks to its mild formula it can be used several times a day.

CLINICALLY CLEAN

The term that reflects present skincare trends is "cleanical". It was created by merging the words "clean" and "clinical". It refers to both the clean beauty trend, like taking care of yourself with natural, including vegan and organic cosmetics, and fashion for professional active ingredients obtained in the course of biotechnology processes. Cleanical cosmetics are said to be as effective as the ones available in beauty salons, but they also take into account the welfare of animals and the environment. This trend strikes a chord with consumers for whom the idea of sustainability and animal welfare is important but who also have high expectations regarding cosmetics effectiveness.

HELP FOR SKIN STEM CELLS

Plant stem cells and bio ferment rescue of skin stem cells.

SKINIMALISM

Minimalistic care - the "less is more" philosophy is reaching more and more skincare enthusiasts who feel overwhelmed by the number of available cosmetics. Complexion can become overstimulated, just like our brains. Applying tons of active ingredients causes allergies, hypersensitivity, permanent erythema and acne. That is why specialists in the beauty industry believe that in the nearest future, the industry will focus on quality, not quantity. A concise but well-thought-out composition, containing raw materials of multidirectional actions, will make our skin healthy and radiant.

TOTAL HYDRATION

A unique moisturizing complex with hyaluronic acid, lactobionic acid and trehalose is the perfect solution for your dehydrated skin.

ACIDS POWER

ACIDS POWER is a formula that contains a unique combination of AHA acids and vitamin C. Thanks to such carefully selected ingredients, the structure and color of the skin gradually evens out, and the face regains its youthful freshness and radiance.

CBD AND NIACINAMIDE RANGE

A rich formula of the cosmetics is based on selected and effective substances such as hemp oil, CBD and vitamin PP. Works on the skin surface by reducing the symptoms of many dermatoses, such as eczema, atopic dermatitis (AD) or allergies.

NEURO SKINCARE

Every day we experience dozens of emotions, and each of them evokes a different expression. After hundreds of facial expressions a day, 365 days a year, mimic wrinkles engrave permanently into our skin. Peptides, the inhibitors of neurotransmitters, are components of cell communication and molecular signal. It is an effective prevention from mimic wrinkles.

DEEP SMOOTH RANGE

Restore firmness and radiance of your skin with deep smoothing products which effectively and professionally prevent skin from aging and improve its overall appearance. The nourishing formula smoothes the skin, prevents wrinkles and helps reduce the existing ones. It combines the action of copper tripeptide and postbiotic to effectively fight the signs of aging.

AQUA FACE SERUM

Our powerful serum which makes the skin gain radiance and receive a solid dose of hydration, consists of active ingredients included in a light formula that quickly penetrates the deep layers of the skin.

AMPOULES

Ampoules treatment regenerates the skin after winter or summer, and when we feel that our skin needs hydration and nourishment. Ampoules represent a rich source of various active ingredients needed for skincare at any age. They are perfect for handling special skincare tasks.

EYE CREAM

The eye cream has a unique task to fulfill. Not only does it care for the skin in this delicate area, but also gives your eyes an extraordinary expressiveness - after all, the eyes are the mirror of the soul. Our eye creams are specialized cosmetics as they make delicate skin undergo effective moisturization, brightening, swelling reduction and lifting.

**PURE
BEAUTY**

One of the most important daily care routines is makeup removal. Properly performed, cleanses the skin, allows it to breathe, prepares for night regeneration and facilitates the absorption of active substances from serum or cream enhancing their overall absorption and effectiveness.

WATER LESS

Anhydrous cosmetics represent a new generation of beauty and skincare products in which formulation water is not a key raw material. Water shortage is a huge problem. Packaging Factory helps to solve it by creating products where water is replaced with other raw materials. This solution has two main advantages: lowering the cost of the entire production process and is also friendly to our planet.

MASSAGE CANDLE

Feel perfectly relaxed thanks to a rejuvenating and unique massage with our candle. It will pamper your body and senses. Warm melted oil with carefully selected natural ingredients make the skin wonderfully cared for, nourished, firm and smooth.
